Marge Delia said they did not budget for this. Mayor Owens said we have to make our budget just like you do and we had to make some hard decisions.

Joanne Nacucchio – asked why the committee couldn't keep the school on its coming from the same source. Mayor Owens said its not, our budget is ours and we have to answer to the residents and this is what we have to do.

Joe Elwell asked if we could do a shared services with trash and the committee said we would have to look into it. Mr. Elwell also asked if the crossing guards should have the kids go on the new sidewalk or keep them going the old way. Mayor Owens said keep the kids on the old route for now.
