Motion to approve vouchers

Motion Owens Second Sperry 2 RCV yes

Mayor Sperry asked the Zoning officer to come and explain what had transpired at 20 Clancy Road regarding the complaints from Salem County Health Department. The zoning officer said they went to the property with the Animal Control Officer and a state policeman but nothing could be done since Ms. Durkin would not let them look around the property without a warrant and they were not able to get one.

Mayor Sperry had 3 trees that she thought were of concern, so they are going to get quotes to remove them.

Committee discussed tennis court issue at the school. We need to find out who is in charge of the property and go from there.

The clerk was directed to get information on the status of stability on old township garage. Do we fix or tear it down.

CFO Bowman asked the committee what bank they wanted to go with for the bond we are doing for the revaluation. Committee said East Brunswick they had the best rate.
