Roll Call Call Mayor Sperry, Deputy Mayor Hannagan, Committeeman Owens, CFO Bowman, Clerk Uzdanevics,

The committee went over the truck bid and as soon as the solicitor gives the ok it will go in the paper.

The door quotes were discussed and it looks like Sickler is the lowest for both so the resolution will be put on the agenda for the next meeting.

The Voter drop box was installed and we are now waiting for the cameras to be placed.

Petro Pump Inc. appealed the EDU's for their location 498 Salem Quinton Road, they have 3 EDU's now. The Engineer looked over the information they provided and went through the ordinance. He believes the evidence given was compelling and well reasoned and he has no technical objection if the committee wished to lower the EDU's. The committee discussed it and will take a vote to lower the EDU's to 2 at the next regular meeting.

The trash bid was received on Tuesday September 22 and Waste Management is the apparent low bidder. Once the Solicitor approves the trash bid is in order it will be put on the agenda for approval at the next regular meeting.

The Committee directed the clerk to get pricing on the snow guards for the Fire House Roof.
