Mayor Sperry attended the JIF retreat and shared some of the information.

Crime timeline for Molestation is 37 years from date of crime. The problem is the retention is only for a certain period of time. Solicitor Arbittier said as long as we follow JIF procedures we can't do anything more. We have to do background checks.

Cyber was also an issue. Systems being hacked is on the rise and employees must take certain training.

Mayor Sperry also asked about the Ice Dams and Ed Counsellor said he will install when the weather is cooler. Committeeman Owens said he will help.

PUBLIC SESSION

Trooper DiSipio attended the meeting.

Ed Counsellor told Trooper DiSipio they are doing a great job. We see you out there and appreciate it.

Deputy Mayor Hannagan asked what the biggest problem is in the county? Trooper DiSipio did not know.

Bill Remster asked if Planning Board Member would need Cyber training? Mayor Sperry said she did not think so. It's for employees with township emails.
