The May minutes were given to the committee by mistake so the June minutes will be reapproved at the August meeting.

The committee directed the clerk to have the township Engineer give us an estimate on the Stormwater changes from Tier B to Tier A.

The Sewer line at Municipal Building had to be fixed again and if it happens one more time we will need to redo it.

Waste Management informed us when we go out to bid again we will need to include trash cans. Waste Management will be using the one arm system. The Mayor will do some research on the matter.

Deputy Mayor Hannagan would like the clerk to look into putting the bulk stickers at Smick's and Buds.
